Additional Information:

The Pre-Learner Licence course is very comprehensive and as such students are expected to arrive promptly for every session. Parents/carers will be contacted, and students may be dismissed from the program if they are late to any of the sessions without a valid reason or if their behaviour is disruptive. Students will be given their usual break times during the course. If your child has already completed the Road Ready course, an alternative in-school program will be provided for them.

Staff accompanying students on Incursions will take all reasonable care while the students are in their charge to protect them from injury and to control and supervise their behaviour and activities. Parents should be aware that staff members are not responsible for injuries or damage to property which may occur on an Incursion where, in all circumstances, staff have not been negligent. Parents should warn children of the risk to themselves, to others and to property, of impulsive, wilful or disobedient behaviour.

Kind Regards,

Prue Gill and Eryn Lazarides
